

Dear Parents/Carers,  
**SUMMER TERM 2025**

Welcome back! We hope you had a lovely Easter holiday. We have had a great first two terms in Year 5 and cannot believe it is already the summer term; we have so much planned!

Please continue to read with your children at home; the expectation is that your child reads for at least 15 minutes every day and please remember to sign their diary. It is important to ask them questions about what they have read to check their understanding. Daily benefits of reading are:

- improves vocabulary
- reduces stress levels
- improves writing skills
- helps mental health
- develops empathy
- improves memory
- boosts knowledge and brainpower
- improves focus and concentration

This term, we will be covering the following in our units of learning:

- |             |   |                                                                        |
|-------------|---|------------------------------------------------------------------------|
| • History   | - | Victorians                                                             |
| • Science   | - | Properties of Materials                                                |
